Our thanks to the Wellington Service Rifle Association. members and friends who assist us with the running of the auction weekend over all these years.

Sandra and I are now in our 80's and its time for us to start to “Smelling the Roses”. It has been a pleasure providing, obtaining collections and items from throughout the country and offering these items to the Collectors, Target Shooter, Hunters, and Investors through Militaria Auctions Ltd. We are proud we have offered a service and prevented many items and collections from being sent offshore to be sold or destroyed over the last 22 years. Many thanks to all the vendors and estate executives with trusting us with their items.

Our sincerest thanks to all the team of helpers, especially to Sandra, Kevin, Ian, Rachel, Steve, Reg and Robin for their dedication and organising abilities in making “The Team” a success.

Kindest Regards to you all.

Ted and Sandra
