

# NZSRA Nationals 2023 v 3.0 –

## Logistics

### Getting there

The West Melton Rifle Range (WMRR) is at 1248 Old West Coast Road, on the Corner of Range Road & Old West Coast Road. It is 20mins from Airport, 5 Mins from West Melton town. Your favourite mapping application will find it easily (but not Google Maps).

<https://mapcarta.com/W889215672>.

### Airport Pick up

Pickup from the airport can be arranged for approximately \$10/person. More details to follow. Will need coordination of arrivals/departures.

### Facilities

The WMRR is fully self contained. Accommodation, commercial grade kitchen, rec room, male/female ablutions with washing machines and dryers. An Armskote (safe room) on site will hold all the rifles afterhours.

The provided accommodation is in buildings at the range which will not be used by anyone else, and there are beds but with no bedding. Sleeping bags will be needed, and some can be provided if we ask in advance. Each of ASRA, CNIGC and WSRA have at least one person travelling by who could bring sleeping bags if asked nicely (and not too many).

### Meals

Meals will be available cooked by an Army Chef for approximately \$10 per person/meal. A proposed menu is attached to this document. Meals include Friday dinner, Breakfast, Lunch and Dinner Saturday, Breakfast Sunday and then BBQ Lunch with Prize giving. This cost is included on the entry form.

### Private parking

As shown in the sketch map an area outside the accommodation/kitchen facility entrance has

been designated as the only place vehicles can be parked.

### The ranges

We will be using Wooster A (300m) and Wooster B (600m) ranges simultaneously.

Distance to the rifle ranges from the accommodation complex is approximately 250m.

### Saturday evening event

A special event has been arranged to visit Gunworks [Gunworks NZ | Guns for Sale | Suppressors & Accessories](#) Saturday evening. The possibility exists for a swap meet on Saturday night at WMRR as well.

### Rifle transport.

Understand this is possible by Air NZ but still a pain. There is at least one fully manned vehicle going from ASRA, CNIGC and WSRA and they can take rifles for fliers. Remember there is no permit etc legal hassles except the need to watch, which is the same for one rifle or many. For all these, ask and contact will be made.

### Entry fee

Typical is \$140. This includes the meals and accommodation as above. WSRA, CNIGC and ASRA have each agreed to pay this for financial members

All of the above is to minimise cost to competitors or helpers.

I can envisage three travel modes –

Drive – bring whatever you like. Preferably bring some of someone else's stuff. Stay at range or motel or home (ChCh)

Fly – bring not much. Don't need much really. Gun(s) could fly with or be brought by car with arranged driving members. Sleeping bag if possible. BYO ammo. Fares – about \$400 from Ak or \$300 from Wlg. Add parking etc.

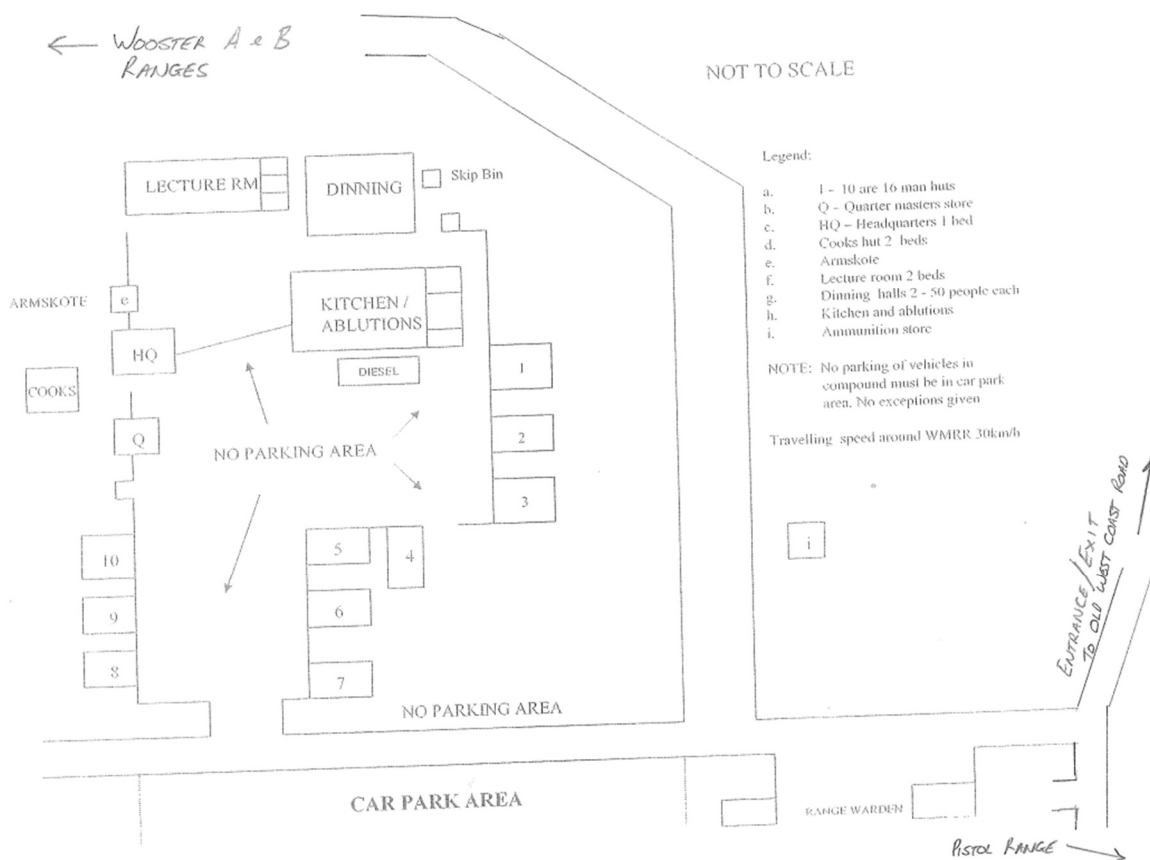

From -

- South Island – drive take your own shooting and accomm stuff. Could fly

from deep south I guess. Stay at range, or at home (ChCh), or motel.

- Wellington – drive or fly. Guns via driving members(s). Range or Motel.
- CNIGC – Drive or fly . Guns via driving member. Range or Motel.
- Auckland – Fly really. Guns via car with driving member. Range or Motel. PK has created a WhatsApp group (whatever that is) to co-ordinate this and other stuff, flights etc.
- Auckland shooters going to Nats can be added to group by emailing their cellphone to Peter at [asranzpresident@gmail.com](mailto:asranzpresident@gmail.com)

## Facility Layout

**West Melton Rifle Range**

This is the West Melton Rifle Range (WMRR). It is at 1248 Old West Coast Road, on the Cnr of Range Road & Old West Coast Road. 20 mins from Airport. 5 Mins from West Melton town
